

Sheridan Elementary School

Aug./Sept. 2017

Dear Sheridan Families,

I want to officially welcome all of you to the 2017-2018 school year! I am thrilled to be joining the Sheridan Elementary staff this year. I have been a teacher in the Western Placer Unified School District for the last 15 years. I am excited to be the new principal of this wonderful school. The teachers and staff are dedicated to the education and well-being of your children. Our school is implementing a new program called AVID (Advancement via Individual Determination). This program will help prepare students for college readiness and success. Please remember to talk to your child daily about their school day. We have a lot of fun and exciting opportunities planned for the students and community of Sheridan. I look forward to the opportunity to get to know all of you this year. Please stop by and say hello. Together, I know we will make this school year one of growth and achievement for all children.

Sincerely,
Emily Ortiz, Principal
