

Sheridan Elementary School

November 2017

Dear Sheridan Families,

November is a great time to start “Family Time” with your children. I would love to share some ideas for spending time with your children and creating family traditions and memories. Enjoy time with your family, have fun and laugh!

- *Read bedtime stories together
- *Play a board game
- *Read a recipe and cook something yummy together
- *Go on a walk to the park and play

Thank you for sharing your children with me. I enjoy spending time with them!

Sincerely,
Emily Ortiz
